NEWSLETTER BY LAND OR BY NET

You have either received this newsletter by regular mail or by e-mail. If you are receiving this by regular mail and have an e-mail address, I ask that you provide me with this address so that I can send you our monthly newsletter through the Internet. There are a number of advantages for using the "net" to send our newsletters and reminders. First, it saves on the cost of postage and allows us to use those savings in other ways. Second, it provides an instant communication system to our members. Finally, it allows members to immediately reply without picking up a telephone. Many members now use the e-mail system to make their reservations for our monthly meeting. Don't miss out!

AEROS GAME AND PICNIC SET

The 2006 Akron Aeros game and picnic is set for Tuesday, August 15. We are combining the picnic and game all in one night. We will be discussing the cost of the picnic at our April meeting.

Akron Crime Clinic Reverse Raffle will be on October 12, 2006 at Guys Party Center. Tickets will be \$40 that includes appetizers and an open beer and wine bar. The grand prize will be \$1,000 along with other cash prizes.
