Our Speaker Chairman for the month, Sarah Boyarko, will have a very interesting speaker for this month. He will be Tony Paglia, Vice President of Government Affairs for the Chamber of Commerce. He will provide a few of the chamber's initiatives, talk on the consolidation of school administration functions and on local government collaboration and regionalization.

Attention: Due to the high cost of Post Office mailing we are looking into possibly sending the news letters by E-mail. Our mail has been lost several times and has taken as long as 12-14 days to arrive at your homes. This would not take place till next year, if we decide to do it.
